Providers' responsibility

Delivery

Boat is to be delivered at agreed time. If provider due to circumstances beyond his control f.i. if provider due to failure, delay of former renter and thereby is not able to deliver the boat upon agreed time hirer will be refunded rent corresponding to delay. If delay exceeds 24 hours Hirer can cancel the rental and be refunded the whole amount paid. Indemnity will not be paid.

Pickup and delivery

Provider shall deliver boat and equipment according to checklist in a functional way with full tank.

Insurance

The provider is responsible that the boat and engine is covered by insurance. Insurance coverage, responsible sums and deductibles are corresponding to conditions stipulated by the insurance company. Conditions may be presented upon lessees' request. At loss or damage the lessees is fully responsible up to paid deposition. If damage or loss on boat and engine is not covered by the insurance, provided boat and engine is insured as above, lessees is fully responsible to cover the total cost for loss or damage, f.i. if lessees have not fulfilled normal claim of caution, or conditions in Swedish Marine Act.

Interruption

In case of time loss caused by damage on boat and engine and/or repair where provider is responsible which have caused severe restriction for more than 24 hours upon notification lessees will be proportionally compensated for lost rental period. Repair costs that may have reimbursed by lessees due to dysfunctions on boat and engine within providers' responsibility will be repaid if beforehand agreed with provider.

Lessees responsibility

Skipper's competence

Lessees are obliged to have necessary experience and competence to manoeuvre the rented boat in a prudent and safe way and according to Swedish Marine Act. By signing the boat rental agreement hirer confirm that he/she or responsible skipper has the necessary skill, knowledge and experience. Skipper/lessees are reminded of his responsibility for boat and crew. If during the rental period it appears that boat is not handled in a seaman worthy way, carelessly or neglected provider is in his full right to interrupt the rental. Remaining rental sum is thereby forfeited.

Care and use of boat and engine

Lessees are obliged to well take care of boat and equipment and to fulfil providers' instructions and guidance. Lessees are responsible for boat and equipment during the whole rental period. Please note that when moored, boat shall be locked with supplied lock and chain. Lessees is obliged to only use the boat for pleasure. Boat may not be used in competition, for towing, transport of goods or passengers against payment. (Prohibition of towing does not refer to vessel in distress.) Lessees are responsible for that the boat is driven in compliance with laws and regulations. Lessees may not re rent or submit boat to other person during rental period.

Use of boat

Boat may only be used within Swedish territory. If lessees do not fulfil conditions and restrictions in the rental agreement, provider is in his full right to repeal the rental when coming to providers' knowing. Remaining rental sum is thereby forfeited. Furthermore are lessees responsible for all costs for bringing back the boat to Dyvik Marina.

Return of boat

By the end of a rental period, the rental boat is to be returned upon agreed time. If lessees are prevented from returning at agreed time, lessees are obliged to inform provider within opening hours. If delayed return lessees will be debited a damage fee corresponding to the double rent cost proportionally corresponding to delay.

Action at failure, damage or loss

If any failure, damage or loss on boat, engine or equipment during rental period hirer is obliged to contact provider immediately to receive and follow instructions how to proceed for reparation. The hirer is entitled to costs for reparations of such problems where provider is responsible. Lessees must have providers' permission of reparation and costs. Repayment is made only against invoice or approved receipt. In case provider cannot be reached within 24 hours after failure and reparation is necessary for continues use and within providers' responsibility, lessees can on providers account arrange reparation.

Lost equipment is debited according to pricelist. In case boat is returned without full tank an extra charge of SEK 250 plus petrol is debited.

Dispute

Dispute regarding interpretation of rental conditions is primary to be solved through mutual agreement. If the parties cannot find a solution agreement shall be handled by court according to Swedish law.
